Alaska District Church of the Nazarene NYI

To: All Hikers and Church Leaders
From: Bill Elam (Trail Boss)
Date: April, 2023

I have been asked to lead this years Resurrection Trail Hike. A **non-refundable \$25 registration fee** must be included with a Rez Trail application by mail or online at www.AlaskaNYI.org by **June 1st 2024**. Any applications in after that date will be charged a **\$35 registration fee**. The hike is open to teens who have completed grades 8 through 12 during the 2023–2024 school year. There will be a limit of 30 student hikers allowed on the Trail. If more than 30 applications are received, participants will be selected on a “first-come, first-served” basis.

ONLY adults APPROVED by the trail boss will be allowed to go on the trail & will also be charged the \$25 registration fee. All adults must have a background check done by the Alaska Nazarene District and complete the Ministry Safe sexual abuse awareness training in order to be allowed on the hike.

Please keep in mind that adults going on the hike will also serve as teen counselors.

My primary concern on this trip is that it will be safe. The greatest danger that we face on this trip will be hypothermia. **Please** be sure that your campers have high-quality rain gear, sleeping bags and tents. (Not necessarily expensive gear, but high-quality gear.) It is imperative that each local church arrange a gear inspection for each of its hikers. A suggested gear list is attached to the Trail Application.

Overly heavy packs pose another hazard. Hikers who become exhausted because of excessive pack weight will not only have an unpleasant hiking experience but can also be a burden on the other hikers who end up carrying the “tired” hiker’s gear. Due to this problem, hikers and packs will be weighed at the Trail head. **Packs are to weigh one third or less of the hikers body weight and cannot exceed 50 pounds.** Overweight packs will be whittled down at the Trail head.

We will meet at the Trail head in Hope, AK at 9:00 AM on Monday, June 10th 2024. We plan to end the hike at the Cooper Landing Trail head at 11:00 AM on Saturday, June 15th. Lunch will be served at the end of the hike. Non-hikers who wish to eat lunch with the group will be charged a \$5 fee to cover the cost of the food.

All local churches are responsible for transportation to and from the Trail heads.

Hikers are responsible for their own tenting arrangements. No public displays of affection or two-piece swimming suits. Please emphasize with your hikers the need for them to cooperate with the Resurrection Trail Staff. If you have any questions or comments please call me at 907-690-4339 or email at bill.elam@me.com, or write to me at 47320 Jefferson Ave. Soldotna, AK 99669.
